Locals Volunteers Honored

The General Society of the Daughters of Utah Pioneers was founded April 11, 1901. The organization consists of-A Central Company, County Companies, and Camps. A camp consists of ten or more members of the association residing within a single district. A daughter of a Utah Pioneer must be over eighteen years of age and of good character and be a lineal or a legally adopted decendant of an ancestor who came to Utah before the coming of the railroad May 10, 1869. There is a constitution and bylaws setup to govern this organization. The object of this organization is to honor the names and achievements of men, women and children who were the pioneers in founding and settling the Territory of Utah-by preserving old landmarks, marking historical places, collecting and preserving relics and histories.

The Hawthorn Camp Daughters of Utah Pioneers, Midway, Utah, was organized in February 1921. Meetings are held once each month beginning in September through May. The meetings are held under the directions of the Executive Committee which consists of- Captain, 1st Vice Capt., 2nd Vice Capt., and Secretary-Treasurer.

For the past two years for our Christmas Party, the Hawthorn Camp has elected to bring a gift for a friend at the Heber Valley Care Center instead of the usual exchange of gifts with a member. We have enjoyed this project very much. The residents and staff express their appreciation to the Daughters of Pioneers for their continued dedication to making a wonderful Christmas at the Heber Valley Care Center.

"Administrator's Message"

Recently a very beautifully written poem was sent to me. It does a very good job of conveying my feelings about aging with pride. Let me share it with you.

Rocking Chairs

Rocking chairs are not so bad
When you cannot stand,
And it's not really very sad
To have a helping hand.

Much can be done from a sitting pose
Beside twiddling fingers and blowing your nose.

There's reading and writing and sewing to do,
And praying and learning and things quite a few.

It would be so nice to run 'round the block.
Or climb up the hill and sit on a rock.

But if we can not
Let's be satisfied
To do what we can
And do it with pride.
